MEMBER BENEFITS:

NOCA assists clubs with increasing participation and growing membership through successful programs such as the Adult Learn to Curl and Business of Curling programs.

Members and clubs can also take advantage of sponsor partnerships on multiple fronts from renting a car, to obtaining insurance, to hotel accommodation, to working with a NOCA partner to lower costs of debit/credit card transactions for the club, and more.

Training & Personal Development are at the heart of our organization. Creating, growing and encouraging the continued development of coaches, learning facilitators, club managers, ice technicians to name a few is key for the legacy and ongoing viability of our sport.

Enhance your club's profile through hosting of regional, provincial, national or even international events.

Consider the potential for public exposure, increased media awareness and financial growth that hosting brings. Talk to us now to discuss hosting opportunities.

Need help with your club on the business side? Our successful Business of Curling Seminars and Club Training Webinars inform, enlighten, and strengthen your club. Leverage our shared experience and resources to lift your club to new levels of stability and health. Share resources with Curling Canada, the Ontario Curling Council and more.

Celebrate and recognize achievement through NOCA's Awards program. Do you have someone at your club who deserves recognition? Great volunteers?
