

# Your NOCA

**NOCA is the governing body and the voice for Northern Ontario curlers and curling clubs - bringing members, clubs, and curling fans closer together.**

**Everyone - the young and the young-at-heart - benefit from being part of this curling team. Our mandate is to develop and promote curling as a recreational and competitive sport in Northern Ontario.**

**NOCA offers a wide range of resources and information to athletes, coaches, officials, volunteer board of directors, club managers and ice technicians.**

**As a member of NOCA, you are part of a team that provides programs and services across the north to affiliated<sup>1</sup> curling clubs from Keewatin to Mattawa and south to Providence Bay.**

<sup>1</sup> Affiliated curling clubs are fully paid up members of NOCA. Use of resources is restricted to members.
