

CONGRATULATIONS

On behalf of the organizing committee and the many volunteers, we would like to welcome you to the NOCA U21 Provincial Championship. The committee has been busy preparing for this competition.

You will find enclosed a team bio form that will be used to help in the preparation of our program. Please complete this form as soon as possible and return to the e-mail address listed below.

The host hotel is the Travel Lodge in Sudbury. The rooms have two double beds. The rooms are \$95.00 per room. Participants are to call the hotel directly and quote group code CGU21CURL. Transportation will be made available throughout the week to and from the host hotel and the Idylwylde. We will arrange for shuttle service from Sudbury airport if required.

All curling will be done at the Idylwylde Golf & Country Club, 400 Walford Road. Each team will be assigned a locker. The bar/dining room is located at the Idylwylde serving beverages and meals for the duration of the event. All teams may use the Hospitality Suite located in the host hotel, open nightly with beverages and snacks for players, coaches and sponsors. The Curling Club will have a "player's only" area for the duration of the event. In the locker rooms there is a Sauna and Showers. This may be used for your relaxation.

All teams are invited to a celebration pizza party at the Idylwylde on Friday December 28th. We look forward to a great event and excellent curling. If you have any questions or require further information please contact the undersigned and we will do our best to meet your requirements.
