Competitor's Guide – 2019 NOCA Provincial Curling Club Championships

CURLING CLUB CHAMPIONSHIP NOCA PROVINCIALS:

Congratulations. Your team has qualified for the field of twelve (12) teams (six men's and six women's) competing in the Curling Club NOCA Provincials April 4 – 7, 2019 at the Port Arthur Curling club in Thunder Bay.

Because there is no sponsor of this event, each team travelling to the Provincial Curling Club Championship will NOT receive any travel or accommodation assistance.

Competitor's Guide – 2019 NOCA Provincial Curling Club Championships

Curling Club Championship Eligibility Requirements 2018-2019

We trust that all participants will respect the intent of this championship for curling clubs to engage their members to participate and represent their curling club at a regional competition which leads to the provincial / territorial championship and ultimately the national curling club championships.

The event was created for true club-based teams. The objective is to support the development of grassroots curling across Canada.

Commented [AH1]: Removed the wording "not for past or present elite teams / players" during the discussion with the ops council in Ottawa

With this objective in mind, here are the proposed eligibility requirements for events leading to the November 2019 national curling club championships. Curling Canada reserves the right to exclude any team that violates the spirit and intent of this event as it pertains to the rules below:

Commented [AH2]: This wording was in my last version that was presented to the ops council

- 1) The curling club represented by each team, must be affiliated with its Provincial / Territorial Association, must be in good standing with all applicable dues paid in full.
- 2) Players of any club team must be members in good standing of the affiliated curling club.
- 3) Any competitor is **not** required to be a Canadian citizen.
- 4) All four (4) members and any alternates **must be** bona fide residents within the geographic area of the Member Association they are intending to represent unless granted an exception by the Member Association.
- 5) Any player can be a member of more than one affiliated curling club, but must declare one "home club" for this competition.
- 6) Each Member Association reserves the right to limit the number of teams qualifying from each club.
- 7) Teams must qualify under one of the following conditions:
 - (a) Regular league players, or;
 - (b) A club championship process, or;
 - (c) A designated Curling Club Championship event within the club;
 - (d) In each of Rule 7) (a)(b)(c), teams must have three (3) or more players who have played together in a sanctioned club league during the current curling season.
 - (e) Clubs that only have mixed or open leagues (i.e., no men's and / or women's set team leagues) **may be granted an exemption** to Rule (6)(d) by written request to their provincial / territorial Member Association.
- 8) The use of the delivery stick by any or all four players (and any alternate) **IS** acceptable subject to the Curling Canada rules under **Rule 19. Curling With A Delivery Stick**.
- 9) Once a four-person team enters the club championships playdowns, a maximum of one (1) replacement player from the club is allowed.

Competitor's Guide – 2019 NOCA Provincial Curling Club Championships

- 10) The replacement player **must play the lead position** (throwing & sweeping) and must be an active member in good standing of the affiliated curling club.
- 11) If the Member Association playdown process includes a number of steps before declaring a champion, then the team may add a different spare at each level provided they play lead and are a member in good standing of the affiliated curling club.
- 12) Teams who play exclusively in a major / super league - where teams from more than one (1) club compete - **are ineligible** for the Curling Club Championships unless the team competes in another eligible league in an affiliated club.
- 13) **EXEMPTION:** Each four-person team is allowed one (1) player:
 - (a) Who has played in **any** named Curling Canada event* in **any** season (regardless of finish) **or**,
 - (b) Who has played in **any** provincial / territorial event leading to a Curling Canada event* in **any** season (regardless of finish) **or**,
 - (c) Who has played in a Tier 1 Grand Slam event in **any** season (regardless of finish).

Commented [AH3]: Should we add wording here – "see rule 12"

For example: Craig Savill plays in a Wednesday night league with three friends but he also represented Ontario last season at the Brier with his elite team. Craig and his Wednesday-night-team of friends **would be eligible** for the Curling Club Championships;

However, the other three (3) team members of Craig's Wednesday team cannot have played in the following:

- (i) **Any** Tier 1 Grand Slam event in the current season and the past two (2) seasons.
- (ii) **Any** provincial / territorial championship leading to **any** Curling Canada event* in the **current season and the previous two (2) seasons**, unless their final ranking is less than the threshold of the respective Member Association (see chart).

- 16) Each team is comprised of a minimum of three (3) players that are a **minimum of 19 years of age** or over as of June 30th the year prior to the national championship. For example, a player must be 19 years of age on June 30th, 2019 for the November 2019 National Curling Club Championship.
- 17) Any team is allowed one (1) player under 19 years of age whom shall be considered a "minor" and must be accompanied by a legal guardian (or a chaperone identified by the legal guardian) for the duration of the event including departure from home and return to their home. A legal guardian can be a parent on the team. The team is responsible to cover all costs associated with legal guardian who is not a team member.

Competitor's Guide – 2019 NOCA Provincial Curling Club Championships

COMPETITION FORMAT:

The Northern Ontario Curling Club Provincial Championship (both male and female) will be a six (6) team round robin competition for each gender with a one game FINAL to declare a champion.

STONE SELECTION, PRACTICE & LAST STONE ADVANTAGE – ROUND ROBIN DRAWS

In each draw the team listed first shall have top of the scoreboard color and practice first for ten (10) minutes, beginning thirty (30) minutes prior to the posted draw time. The team listed second, shall have bottom of the scoreboard color and practice immediately following the first team's draw to the button for last stone advantage.

A team is allowed to throw its own stones during practice and not those of the opposition.

Last Stone Advantage:

Last stone advantage in the first end (hammer), will be decided by a draw to the button following each team's nine (9) minute pre-game practice. Within one (1) minute following the pre-game practice and the Umpire's announcement, a player from the team will deliver a stone (full sweeping allowed) and the closest draw to the button between the two teams will receive last stone advantage in the first end.

The team practicing first will deliver the clockwise turn. The team practicing second will deliver the counter clockwise turn. Failure to throw the correct turn will result in a distance of 185.4 cm being assigned. Teams must notify the Umpire prior to the first practice of the names of the players delivering stones. Failure to do so will result in a distance of 185.40 cm being assigned to the team(s). Stones not delivered within the time allotted by the umpire will be assigned a distance of 185.40 cm (the stone must reach the nearer tee line before time expires).

If the first team records a distance of 0.00 cm or 185.40 cm with their first stone, a second player from that team will deliver a second stone with the same clockwise turn. If that player records a distance of 0.00 cm or 185.4 cm, the first team shall leave the ice and the second team will practice. If the second team records the same first throw distance as the first team, then another player from the second team will deliver a second stone with the same counter clockwise turn. If the teams are still tied, the teams will alternate players delivering one (1) stone until the tie is broken (using the same assigned turn). Any player on the team can deliver the third and any subsequent stone if necessary.

Only the four 'game' players are allowed on the ice surface during the determination of hammer.

NOTE: Total Draw Distance is the cumulative total of all draw distances for last stone advantage (hammer), in each game, for each team (excluding tie-breakers and playoff games). Only the first draw attempt for last stone advantage will be recorded for the Total Draw Distance required at the end of round robins to break unsolvable ties. The highest draw will NOT be counted in the Total Draw Distance.

Each lead, second, third and skip on each team will deliver a minimum of one (1) draw shot for last stone advantage during the event. The draw to the button shall be played towards the home end. A team

Competitor's Guide – 2019 NOCA Provincial Curling Club Championships

utilizing a fifth player must have a minimum of four (4) team members throw the draw for hammer during the event.

Umpires will assume that every team that wins the last stone draw will want the last stone in the first end. If there is any time that a team does not want the last stone if they win the last stone draw, then they must inform the Umpire before the start of their practice.

Opposing teams must remain behind the glass during their opponent's pre-game practice. If that is not feasible, then the opposition must stand as far behind the sheet as possible, so as not to distract or intimidate the other team.

A draw to the button for last stone advantage that is moved by a team member prior to the measure will be assigned the distance to the next defined circle away from the button.

- In or touching the button = 15.24 cm (subject to change if the bottom diameter is more than one (1) foot)
- In or touching the four foot = 60.96 cm
- In or touching the eight foot = 121.91 cm
- In or touching the twelve foot = 182.88 cm

If a member of the non-delivering team or an external force moves a stationary stone or causes it to be moved before the Umpire completes the measurement, the stone is replaced to as close to its original position by the delivering team.

STONE SELECTION, PRACTICE & LAST STONE ADVANTAGE – TIE-BREAKERS & PLAYOFFS

Following the conclusion of the round robin competition the top two (2) teams shall participate in a Championship FINAL game.

Teams that complete the round robin with identical win/loss records are considered to be tied.

Teams tied for a playoff position shall only be eliminated from the playoffs by playing a tie-breaker game(s).

The Chief Umpire will make all decisions with regard to the administration of tie-breakers. Additional information relative to tie-breakers and sheet assignments will be discussed by the Chief Umpire with the teams involved after the last game of the round robin. (see NOCA Tie-Breaker Review Document)

Immediately after the two final playoff positions have been determined and prior to the FINAL playoff game, each team involved shall be asked by the Chief Umpire to select their choice of stone handle color. Each team shall be allowed a maximum of 15 minutes to make its selection. Failure to comply shall result in a set of stones being assigned. In the playoff game a complete set of rocks from any sheet must be chosen.

In the FINAL playoff game, if the team ranked first finished clearly ahead of the team ranked second, they will have last stone advantage **AND** choice of colour.

Competitor's Guide – 2019 NOCA Provincial Curling Club Championships

When the round robin win/loss record of the two teams involved in a playoff or tiebreaker game(s) is the same, the team that won the game between the two during the round robin shall have choice of either last stone **OR** stone colour **UNLESS** their ranking has been determined by the Total Draw Distance, then those results shall provide **choice of color OR second practice**, and the teams will draw to the button for last stone advantage.

When last stone has not been determined by a draw to the button, the team delivering the last stone in the first end will practice first.

Tie-Breaking Process

When teams are tied for a playoff position, the win/loss record of those teams against each other shall be used to determine their ranking and therefore how the teams are positioned in the playoff draw or tie-breaker game(s).

If a complete ranking of the tied teams cannot be established by a single comparison of the win/loss record of all tied teams, and ties still remain, a second comparison for ranking shall be made utilizing the win/loss records of only the remaining tied teams.

When ranking of tied teams eligible for the playoffs cannot be established by successive comparisons of win/loss records, i.e. unsolvable ties, only those teams that remain tied after such comparisons shall be ranked by implementing the ranking based on the Total Draw Distance of pre-game draw shots to the button for last stone advantage (the highest draw shot will NOT be counted). The least accumulated distance shall receive the highest ranking until the ranking has been completed.

All tie-breakers shall be played with the stones from the sheet assigned. Stone handles shall not be changed from one set of stones to another.

SCHEDULE & LOCATION FOR EVENT:

The schedule and location of this event will be posted on the NOCA website.

NOTE: If the NOCA deems that due to circumstances that have developed that it is in the best interest of the competition to change the hosting venue, then the venue may be changed.

Competitor's Guide – 2019 NOCA Provincial Curling Club Championships

GENERAL INFORMATION: (this section is common to all Competitor Guides)

ACCOMMODATIONS:

It is your team's responsibility to reserve your own rooms at one of the host venues.

DRESS STANDARDS:

Teams are required to wear appropriate curling apparel. Any clothing that is inappropriate as deemed by the Umpire will need to be replaced.

As a reminder please ensure all footwear is clean and free of any loose debris. The ice-team has spent countless hours preparing the surface and it is unfortunate to lose rocks to something that is totally under your control.

CRESTING/SPONSOR IDENTIFICATION

1. A team participating in a NOCA competition shall be allowed to wear non-competing sponsors' crests. If NOCA sponsor provided clothing is supplied, players are asked to wear such clothing either during games or off-ice.
2. The NOCA cresting rules allow for all teams to wear non-competing sponsors' crests. Any competing sponsors' crest will be deemed non-conforming and you will be asked to remove or cover it for the duration of the event.

OFFICIAL OBLIGATIONS:

A member of each team may be called upon to offer special thanks to the Committee, the sponsor and the NOCA at different functions during this event. At a provincial event there will be a banquet/luncheon/social event at which sponsors may be present. Sponsor relations are integral to running a successful event so team attendance at this function(s) is required.

MEDIA RELATIONS:

The media may be represented at this event. They will be located in the building but will not be allowed access to the dressing rooms. They will have access to you through the host committee who will approach you with any request for interviews. We ask that you co-operate with the media by granting interviews and answering questions when requested. However, a word of caution is offered – make certain that you do not make reference to anything that you do not want quoted. Also, if you have any problems or complaints, express them to the appropriate umpire and not the news media. There is no such thing as an "off the record" comment.

The landscape has changed in terms of the way players, fans, and the media interact, and it's recognized that the various forms of social media represent a valuable opportunity for communication. Competitors are encouraged to embrace these social media as they present avenues to promote the game of curling as well as their own teams; however, there are certain responsibilities attached to the use of these social media outlets.

NOCA has a Social Media Policy that all competitors and coaches are encouraged to read. It is located here: [Policy Directory](#)

Competitor's Guide – 2019 NOCA Provincial Curling Club Championships

ATTENDANCE AT THE CHAMPIONSHIP:

All competitions are considered to have started one hour prior to the scheduled pre-competition practice or team meeting. All players must arrive at the Championship at the designated time, attend all functions and remain at the event until they are eliminated. Any player leaving the competition without prior authorization may be suspended from NOCA competitions for the following year.

CONDUCT:

Curling is based on a code of ethics, good sportsmanship and personal integrity. Inappropriate behaviour including inappropriate language will not be tolerated at any time. Display of emotion, broom banging, etc., which results in damage to any areas or part of the playing surface, players' dressing rooms or any other area of the curling club or hotel will result in suspension for one game. Subsequent infractions will result in suspension for the remainder of the championship. You are expected to follow the rules of the game throughout the competition.

The consumption or use of alcoholic beverages by any player or coach at any time during a U21 or U18 competition is strictly prohibited. This rule shall extend from the start of the first day of play to the end of the final day of play.

PENALTIES AND RULE ENFORCEMENT:

The Curling Canada Rulebook has a number of different sections. You should be familiar with the section titled Rules of Curling for Officiated Play (Sept. 2018 – Sept. 2022).

The Chief Umpire is responsible for rule enforcement and interpretation in all areas covered by the Rules of Curling for Officiated Play, Board policy or precedent. The Chief Umpire's decision will be final except in matters involving disciplinary action.

The NOCA Board shall be responsible for all matters involving disciplinary action and such matters should be referred to the NOCA Executive Director and Competitions Committee Chair. In emergency situations the Chief Umpire may have to act immediately in areas outside of rules, policy or precedent. In these situations, the Chief Umpire is the final authority.

Every rule has an enforcement procedure that will be followed at this Northern Ontario Playdown or Championship. **It should be noted that there are no warnings for any infraction unless it is stated in the rulebook or brought to your attention by the Umpire prior to the start of the competition.**

Players and coaches should be familiar with the NOCA SPECIAL RULES.

ATHLETE DOPING:

The Canadian Centre for Ethics in Sport may conduct unannounced doping tests. If you have any medical issues and/or are on any medications that may cause you to fail a drug test it is your responsibility to notify the organization prior to the start of competition. **"I did not know" is not a viable answer. It is your responsibility to know what you are taking.**

The Canadian Centre for Ethics in Sport manages the Anti-Doping Program (CADP) in Canada in partnership with the World Anti-Doping Agency. Please review both sites and the list of prohibited substances. <https://cces.ca/canadian-anti-doping-program> and [2018 Prohibited List](#). Please note that the prohibited list will change January 2019. [2019 Prohibited List](#).

NOCA – SPECIAL RULES

ELIGIBILITY AND REGISTRATION

1. A player shall be eligible to play in an NOCA competition whether or not it leads to a Canadian Championship provided he/she has paid the approved NOCA per capita fee, is a member of a NOCA member facility immediately prior to and at all times during the competition (exception Men's & Women's Curling Championships), and meets the criteria in [Curling Canada's Eligibility for National Championships Policy](#).
2. Exemption Request Applications must be received by the NOCA office a minimum of 30 days prior to the entry deadline of the competition(s) the applicant wishes to compete in. Please review the following documents prior to requesting a residency exemption:
[Curling Canada Residency Policy](#) [Curling Canada Free Agent Policy](#)
[Curling Canada Application for Residency / Free Agent Exemption](#)
3. Teams may be formed of any players from across the entire NOCA regions/jurisdiction. One member of the team must belong to the member facility in which the team is registered and actually have a domicile in that Region (exemption Men's and Women's Curling Championships). All teams are responsible to have the member facility sign the Member Facility Verification form accepting the affiliation of their team. The definition of a team for this purpose is:
 "A team consists of four players and does not include the fifth or coach".
4. For competitive play, it is the responsibility of each team member on the team to complete and submit player profiles and agree to the participant waiver. The person registering the team will receive an email confirming the registration with a link to provide to the team to create profiles and agree to the waivers. If a player already has a profile, they will simply have to agree to the 2018-19 waiver. It is also the responsibility of the team to submit the following form to the NOCA office, one (1) week prior to the start of the event:
[Member Facility Verification Form](#)

NOTE: If player profiles/waiver agreement and the Member Facility Verification Form are not completed prior to one week before the start of the event the team registration will not be considered valid and complete and may result in the team being removed from the competition.

5. A team advancing to the next level of competition **must** retain three (3) of the original team members as shown on their team and member facility certification form.
 - a) Teams may only add one (1) player who has played in a previous level of the competition, including fifth players. (see notwithstanding below)
 - b) Teams may declare a fifth player prior to the start of any level of competition.

Exception for Mixed Doubles – A team advancing to the next level of competition must retain both original team members.

***** Notwithstanding** rule 5 (a), the Competitions committee may allow a second substitution under extenuating circumstances only. Teams may apply for special consideration to the Competitions committee and the decision of the committee is final.

Competitor's Guide – 2019 NOCA Provincial Curling Club Championships

COMPETITION ENTRY

1. For all levels of competitions, each NOCA member facility is allowed unlimited entries at the first level of competition.
 - a) **Entry deadline is 12:00 pm (NOON) on the stated closing date as per the competition schedule with the exception of the Men's West Qualifier second registration which is 11:59 pm. (This is for teams who have played in the East Qualifier and not secured a berth to provincials).**
 - b) Please read the instructions on the event page prior to starting your team registration. [How to Register your team this year](#)
 - c) Entries to all competitions shall be submitted by the respective teams via the online registration system (NOCA website) prior to the entry deadline. Team personnel need to be declared on the team entry registration.
 - d) Credit Card payment is the only accepted payment method for registration. Online entries will be paid for at the time of entry and it is the team's responsibility to verify that their entry fee has been received.
 - e) No entries will be accepted after the stated deadline (no exceptions).
 - f) Request for refund of entry fees will be reviewed on an individual basis, but as a standard policy, no refunds will be issued after the entry deadline.
 - g) An administrative fee will be assessed on any approved refunds.
2. An annual Curling Canada Competitor Fee must be paid to be eligible for participation in U21, Men's, Women's, Mixed, Wheelchair, and Senior competitions. This fee is part of the registration fee process for the first level of competition. If a player participates in more than one type of event (ie. Men and Mixed) he/she will pay the Curling Canada Competitor Fee for each event.
3. At all levels of competition, prior to the start of the first game, the Chief Umpire may ask for proof of age.

LATE TEAM ARRIVALS:

If a team fails to arrive on time to play its first game or any subsequent games in this competition, the team will forfeit the game(s). Illness, accident or extenuating circumstances will not be considered unless the number of teams involved makes it impossible for the competition to continue. If a team arrives too late to participate in the scheduled pre-event practice they will forfeit that right. All issues of late arrival shall be reviewed by the Chief Umpire in consultation with the Competitions Chair or delegate prior to final determination. The only exception to the above rules will be severe weather that was not predicted. (i.e. Freezing rain or severe snowstorm)

DEFAULTS:

Games in an Event:

1. Teams must play all games unless both teams have been eliminated from qualifying for playoffs or the next level, and there is no impact on the standing which affects the ranking of teams for qualifying positions when advancing to the next level. Failure to play a game which affects a qualifying team's ranking may result in the offending team's elimination from further competition for the balance of the current season and the next.

Competitor's Guide – 2019 NOCA Provincial Curling Club Championships

After qualifying for next level of competition:

1. Where a qualifying team in a Region or Qualifier is unable or unwilling to continue in a competition, the team representative shall notify the NOCA Executive Director to this effect, within twenty-four (24) hours after qualifying for the next level of competition. That team will not be entitled to the position, rights, privileges and awards as it has defaulted and may be suspended. A runner-up team from that competition shall be entitled to the position, rights, privileges and awards of the team that has defaulted.
2. Each member of a team that defaults during any level of competition, subject to paragraphs 3 and 4 below, may be suspended. The length of the suspension will be determined by the NOCA Competitions Committee on a case-by-case basis.
3. The NOCA Executive Director shall notify each member of a defaulting team in writing of such suspension and the method of appealing the suspension. A suspension may be appealed in writing and/or in person to the Board of Directors within a period of two (2) weeks from notification of suspension and in such event the suspension shall be lifted until the appeal is heard.
4. The suspension shall not apply to the level of competition in which the default occurred if, in the opinion of the Chief Umpire of the NOCA, the team in question has a reasonable explanation for a default.

TEAM MEETING:

Prior to the start of the first draw, a team meeting will be scheduled. At least one member of your team must attend the team meeting with the Chief Umpire, other NOCA Umpires, and the host committee as scheduled and before play commences. At this time any questions your team may have on the draw, officiating or rule interpretation will be discussed.

At least one player or coach from your team must attend the team meeting, otherwise your team will forfeit last rock advantage (or choice of positioned stones in Mixed Doubles) for subsequent non-playoff games.

PRACTICE:

1. All events will have a pre-competition practice session of ten (10) minutes per team per competition sheet as scheduled.
2. Each game shall also have a pre-game practice session of nine (9) minutes per team which starts thirty (30) minutes prior to the scheduled draw time.
Exceptions:
Mixed doubles pre-game practice is six (6) minutes, which starts twenty (20) minutes prior to the scheduled draw time.
Wheelchair pre-game practice is ten (10) minutes, which starts thirty (30) minutes prior to the scheduled draw time.
3. A team receiving a bye due to default will be permitted to practice on the sheet of ice that they would have played on for the length of time that the game would have taken.

Competitor's Guide – 2019 NOCA Provincial Curling Club Championships

4. Practice before the pre-competition practice shall not be allowed for 24 hours prior to the start of the competition unless player(s) are members of the host club and are scheduled to play in a regularly scheduled league game. **Any infraction of this rule by any players will result in his/her team losing hammer for the duration of the event.**
5. No practice other than pre-game or pre-competition practice will be allowed including practice on a sheet by either team just having conceded a game early. The only exception is possible practice given to a first place team when a semi-final and final are scheduled. This is at the discretion of the Chief Umpire.

COACHING:

1. All U18 and U21 teams must be accompanied by a coach. Any team with a coach who is under the age of 18 must be accompanied by a chaperone who is over the age of 21. If the team advances to the Canadian Championship, they must have a coach who is at least twenty-one (21) years of age.
2. All coaches coaching youth under the age of 18 must have a Criminal Records Check which is to be renewed every three years. A coach may obtain a Criminal Records check through Sterling Backcheck, a company that NOCA has partnered with to assist coaches with securing a Criminal Records check in a timely and affordable manner. Should a coach choose not to use this service, the NOCA office will provide a letter to any coach indicating that they require a CRC to provide to their municipality or OPP detachment.
3. At all levels of competition, coach training will be required. All coaches must have paid the NOCA per capita fee and be trained as per the table below. Only qualified coaches will be granted access to the ice surface, team meetings and any other integrated events at any point during the competition. Coaches must provide their NCCP number on the team entry form.
 - a) A coach accompanying a team to a Canadian Championship must have a minimum of Competition Coach Certified or equivalent for curling and shall be at least twenty-one (21) years of age.
 - b) A coach is permitted to coach only one (1) team during any competition. This restriction includes any competitions that are run simultaneously at the same place, such as U21 Men and Women. BRUSHES & EQUIPMENT

Any team equipment which may possibly come into contact with the playing surface is subject to inspection by an umpire prior to or during competitions. If the umpire determines that the equipment/clothing is unacceptable and in conflict with the integrity of fair play, the player or team will be directed to remove the equipment from the playing surface.

NOCA will implement the sweeping moratorium on brush head technology, in compliance with the recent WCF & Curling Canada brush moratorium statements. NOCA will require that all teams competing in events operated directly by NOCA i.e. Region events, Qualifiers, and Provincial Championships, to comply with the moratorium.

- The penalties and infractions for players and teams that do not obey the sweeping regulations will be implemented. Please have a look at the moratorium for penalty details.
- Ensure to read the moratorium carefully as it is the duty of the player to be aware of the changes and new rulings within the document.
